If you need to change any details to an existing payment, tick this box and then complete only the details that have changed.

Tell us the name of the person, or the company, who will be getting the money, and what their account number is. If you need to, you can use the shaded boxes.

This information will tell the person getting the money, who it came from. Some companies prefer a reference number and you should check with them first.

This information will help you remember where the payment went when you get your statement.

Don't forget to sign the form, and if you can, give us a phone number where we can call you during the day, if we need to discuss this form with you.
